apply for PCC!

Giving **exceptional students** the summer of
a lifetime **since 1968**

Project Contemporary Competitiveness (PCC) invites you to apply to the program that's so much more than your ordinary summer camp. Live at Stonehill College during the week and spend the summer learning and leading with students just like you.

For high-achieving students entering 8th, 9th, 10th and 11th grade this fall July 2nd - August 12th (Stay overnight M-F)

- Academically-based leadership program
- Meet students from China, the Netherlands, and across MA, and make lifelong friends
- Take advanced-level courses in: Forensic Science, Journalism, Marine Science, Band, Aviation, Model UN, TV Production, Theater, Web Design, Psychology, and more
- Take part in summer camp favorites, too – talent show, semi-formal, after-class sports and recreation
- Receive a Certificate of Achievement and formal notation on your permanent school record

**See why our students say:
"It changed my life forever."**
