

## YEARBOOK INFORMATION FOR THE CLASS OF 2020

Dear Class of 2020 & Families,

There are many exciting events for you coming up this year! One of these events is participating in the ORRHS 2020 Yearbook. **This letter contains important information regarding senior portraits, baby photos, family ads, business ads and yearbook sales. It is important to read all this information carefully so you do not miss any of the deadlines.**

### Senior Portraits:

- 1) **Will be taken by a professional photographer.** If you do not have your own local photographer you can use our school photographer which is Lifetouch Portrait Studios. Their division of Senior Portrait photography is called Prestige Portraits by Lifetouch. They will be sending direct mailings home to the Class of 2020 with appointments already scheduled. You decide if you will keep this appointment. If you intend to keep your appointment with Prestige or would like to reschedule it please contact them directly to confirm.
- 2) **Some local professional photographer that former Seniors used and were very pleased with...**

- 3) **We take pride in our Bulldog student body and our yearbook is a reflection of this. Your Senior Portraits show that you take pride in this as well.** Generally, students dress up. I.E. collared shirts for the boys and nice tops or dresses for the girls. The dress standard will follow the ORRHS Handbook dress code. *Yearbook staff reserves the right to reject any image they feel is inappropriate for submission in the ORRHS Yearbook in content, quality or otherwise.*

- 4) **Portraits need to be of vertical orientation & preferably from the waist up.**

- 5) **No Selfies or portraits with pets or props will be accepted.**
- 6) **Images must be 3"x5" and a minimum of 300 ppi in .jpg format.** Your photographer will know how to size your image properly. This is a technique that will be done in professional photography software. If images are not sized accordingly they will not crop properly in your section of the yearbook.
