Can we please get this approved for VASE?

The Gleason Family Y is happy to announce we have 2 contracted slots available for your child for Afterschool Care. There are certain requirements in order to qualify. See below:

1. Adults need to be working at least 30 hours or in school for 12 credit hours.
2. A family of 2 needs to make under $2,830, family of 3 $3,508, family of 4 $4,176 for the total household income (monthly) including any SSI or child support.
3. Need proof of address; social security card for all family members; photo ID; all children’s birth certificates and 4 weeks of pay showing the hours

If you qualify for a contracted slot, it means your parent portion for payment will be extremely lower than the full price. This opportunity is very time sensitive and will be on a first come first serve basis between our three Ymca Southcoast branches. For more details, contact the Y, 508.295.9622
